

Procedure to submit final version – Papers type A2

Full papers and mini-papers in CIMODE book (A2) (until June, 15th)

Step 1: Change your paper/abstract according to the reviewer's comments

Step 2: Check if your article is formatted according to the CIMODE template

Incorrectly formatted articles may be returned to the authors and **may not be published** if the authors do not resubmit a correct version in time.

The formatting templates can be downloaded at the section "Instructions for authors" <http://www.design.uminho.pt/cimode2020/en-US/instr/> or "Submission Phase 2" of the CIMODE website <http://www.design.uminho.pt/cimode2020/en-US/phase2/>

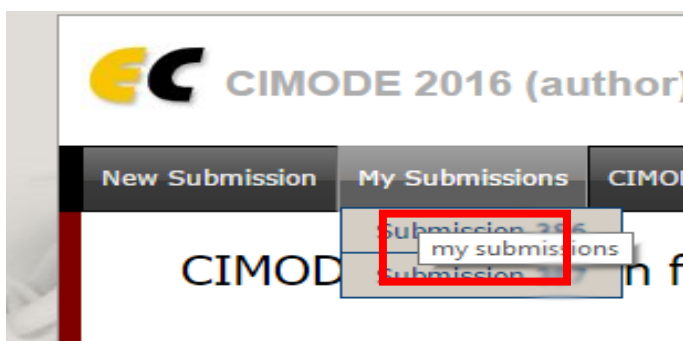

Step 3: Prepare the following documents

Prepare a single ZIP archive with the name *ArticleNumber*_FINAL containing:

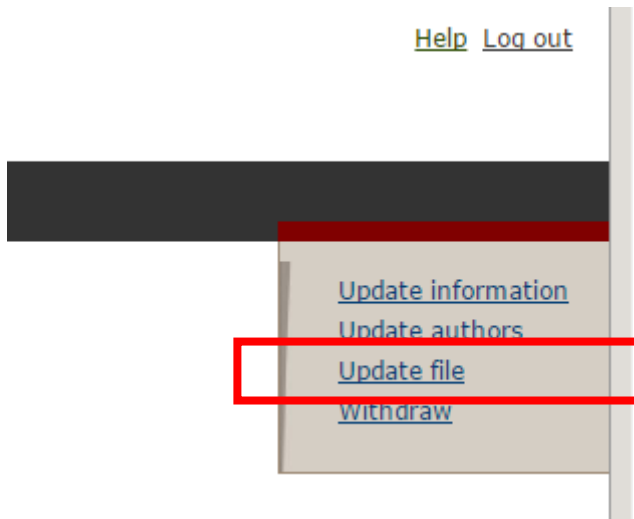

1. **Final version of the document in its original language, Word format, *.doc or *.docx**
Filename: *ArticleNumber*_ORIGINAL
2. **Abstract of the article in the preferred language, to be published in the CIMODE book, formatted according to CIMODE formatting rules, in Word format, *.doc or *.docx**
Filename: *ArticleNumber*_ABSTRACT
3. **Printed, signed and scanned final information form, in PDF format**
Filename: *ArticleNumber*_INFORMATIONFORM

Step 4: Access your author area at Easychair and submit the ZIP archive

a) Select the paper

b) Submit the new version (the ZIP archive)

File Size

EasyChair does not allow more than 50MB for submitting a paper. Submissions with bigger files will be accepted, but the appended file will not be transferred. In these cases please contact cimode.informatica@gmail.com.
