

## Procedure to submit final version – Papers type A2

### Full papers and mini-papers in CIMODE book (A2)

**Step 1: Change your paper/abstract according to the reviewer's comments**

**Step 2: Check if your article is formatted according to the CIMODE template**

Incorrectly formatted articles may be returned to the authors and **may not be published** if the authors do not resubmit a correct version in time.

The formatting templates can be downloaded at the section "Instructions for authors"

<http://www.design.uminho.pt/cimode2024/en-US/instr/default.rhtml> or "Submission Phase 2" of the CIMODE website

<http://www.design.uminho.pt/cimode2024/en-US/phase2/default.rhtml>

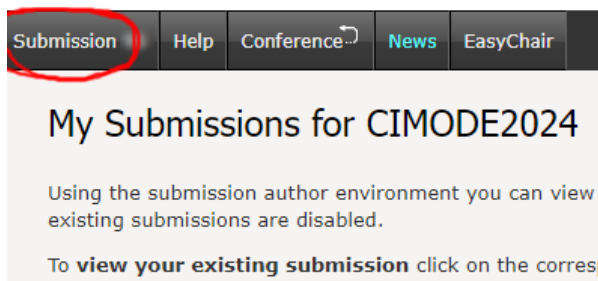

**Step 3: Prepare the following documents**

Prepare a single ZIP archive with the name *ArticleNumber*\_FINAL containing:

1. **Final version of the document in its original language**, to be published in the CIMODE final book, **Word format**, \*.doc or \*.docx  
Filename: *ArticleNumber*\_ORIGINAL
2. **Abstract of the article in the preferred language**, to be published in the CIMODE abstract book, **formatted according to CIMODE formatting rules, in Word format**, \*.doc or \*.docx  
Filename: ArticleNumber\_ABSTRACT
3. **Printed, signed and scanned final information form, in PDF format**  
Filename: *ArticleNumber*\_INFORMATIONFORM

**Step 4: Access your author area at EasyChair and submit the ZIP archive**

- a) Select the paper

b) Submit the new version (the ZIP archive)

### File Size

EasyChair does not allow more than 100MB for submitting a paper. Submissions with bigger files will be accepted, but the appended file will not be transferred. In these cases, please contact [cimode.informatica@gmail.com](mailto:cimode.informatica@gmail.com).
